

AFFIDAVIT OF SVEN BERGER.

Before me, the undersigned Notary Public, in and for the State of Texas, appeared, Sven Berger, who after being duly sworn, stated as follows:

"My name is Sven Berger. I now live in the State of Washington. In 2008, I served as one of 12 jurors in Paul Storey's capital murder trial. In 2010, I gave Paul Storey's lawyer, Robert Ford, an affidavit, a copy of which is attached to this affidavit. I still feel the same as I stated in that affidavit and have recently confirmed those feelings in an interview with a national, on-line publication, The Marshall Project.

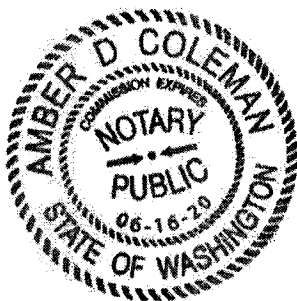

I have now been informed by Mr. Storey's attorney, Mike Ware, that the parents of Jonas Cherry, the murder victim, are opposed to Paul Storey's execution, and have always been opposed to Paul Storey receiving the death penalty, even at the time of the 2008 trial. It is my understanding that their feelings have been expressed in a letter and video directed to District Attorney Sharen Wilson and the Governor of Texas.

As a juror, had I known that Jonas Cherry's parents were opposed to Paul Storey receiving the death penalty, there is no doubt in my mind, I would never have voted for death or in such a way that the death penalty would be imposed. I would have held out for a life without the possibility of parole for as long as it took.

I swear that the above statements are true, SO HELP ME GOD."

SVEN BERGER, AFFIANT

SWORN to be before me, the undersigned Notary Public, on the 16 day of March, 2017.
